

AGING AT HOME

You Are Invited!

Experience a special online event that will discuss and celebrate the importance of the Aging at Home program in our community. Our program is helping Delaware County seniors remain in their own homes, maintaining independence over their routines, activities and life decisions. They are able to experience life on their terms, in the house they helped shape into a home.

Presenters

Arthur Weisfeld: *Executive Director, Senior Community Services*

Barbara Nicolardi: *Director, Delaware County Office of Services for the Aging*

Dr. Monica Taylor: *Vice Chair of Delaware County Council*
